**Application**

To the supervisory board of edacentrum e.V.

I would like to apply for regular membership in the association edacentrum e.V. at the earliest date possible.

I herewith declare to have read and accepted the articles of edacentrum.

I also agree that my membership will not start unless the supervisory board of edacentrum has accepted my application. The decision of the board will be communicated without any reasons. I accept that there is no claim to the admission of the membership and that the board's decision is not contestable.
