RISC-V Activities Workshop 2019 - Call for Contributions

Verfasst von Andreas Vörg, edacentrum GmbH, DE am Fr, 2018/05/04 - 07:05

The workshop aims to stimulate the exchange of information among the attendees about already existing or planned RISC-V activities. The workshop provides a platform for how these activities can be extended across projects or to develop new ideas, activities and collaborations. This workshop has been initiated by the BMBF funded projects [COMPACT](#) [1], [CONFIRM](#) [2] and [SAFE4I](#) [3].

Date: February 28, 2019 9:00-17:00

Location: Technical University of Munich (TUM), Room 4905, Arcisstr. 21, 80333 Munich, Germany, ([Google Maps](#) [4])

Workshop language: English

Registration is closed now. There is no onsite registration possible.

The program is available at <https://www.edacentrum.de/en/risc-v/program> [5].

Organizing Committee

- Oliver Bringmann, Universität Tübingen, DE
