

Tourist Information

A warm welcome to Friedrichshafen at the Lake Constance.

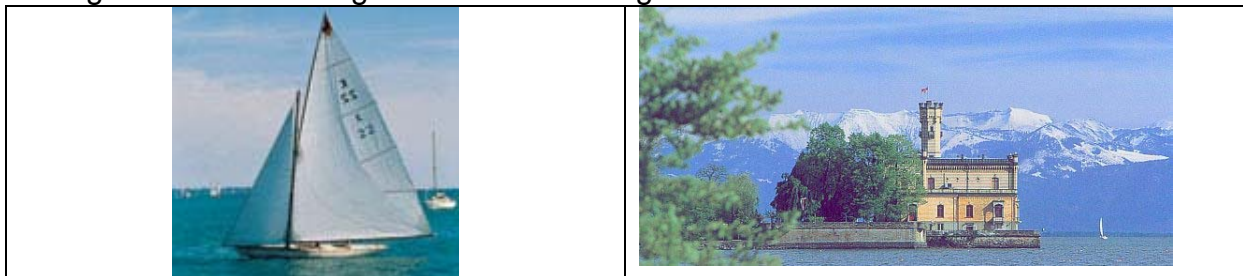

The Lake Constance is located at the very South of Germany and builds the borderline to the beautiful and near Alps of Austria and Switzerland. The area around the Lake is a famous vacancy area well known in Europe.

The area around the lake is also famous for its past and future high tech industry like the drive systems for nearly all kind of vehicles or its aerospace industry like the Zeppelins.

Enjoy yourself – in a bracing bath in the lake, with a boat trip on the lake, skiing or hiking in the surrounding area or the relaxing walk on the waterfront.

The central location of Friedrichshafen offers in all respects the best possibilities for excursions.
